

Logit Plot for identifying if the bucketing is required or not for variable alcohol

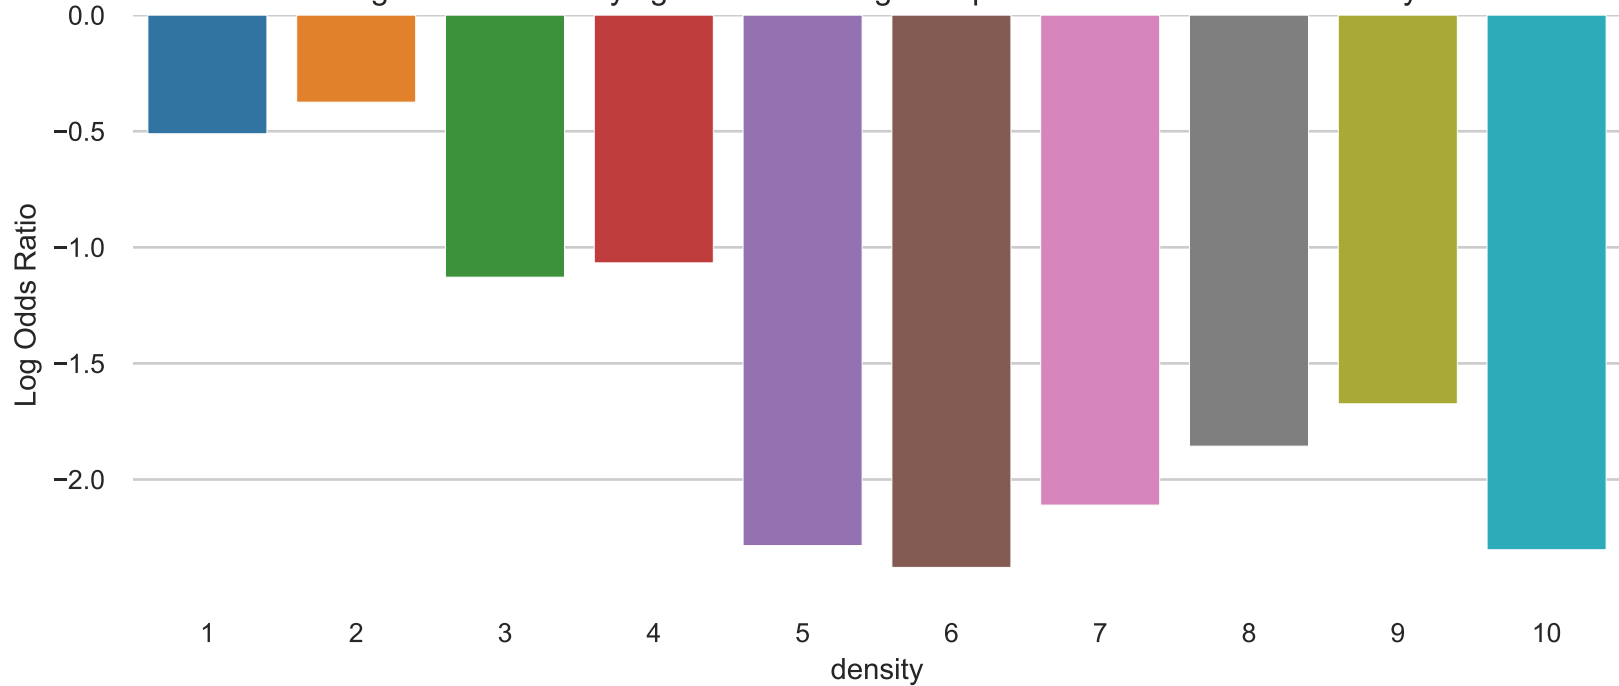

Logit Plot for identifying if the bucketing is required or not for variable chlorides

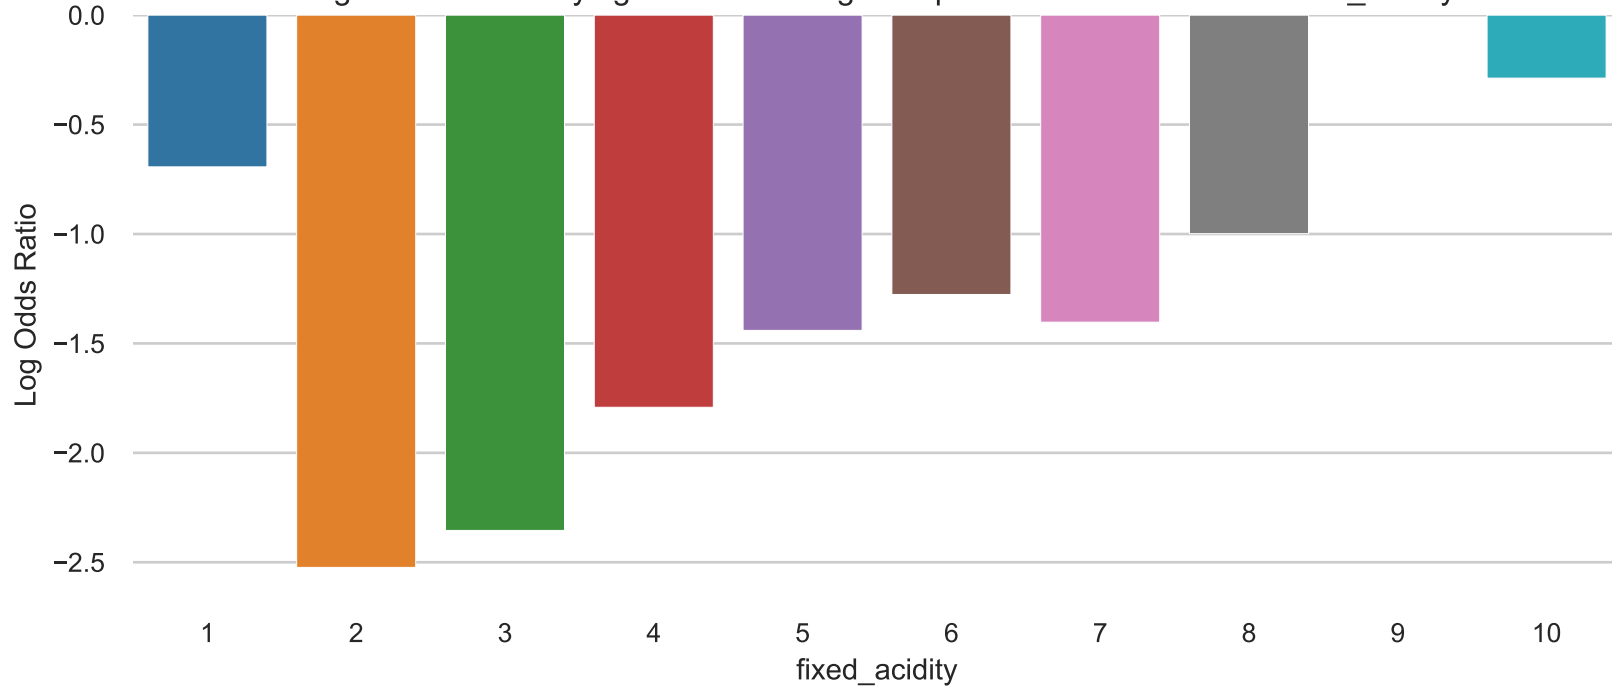

Logit Plot for identifying if the bucketing is required or not for variable citric\_acid

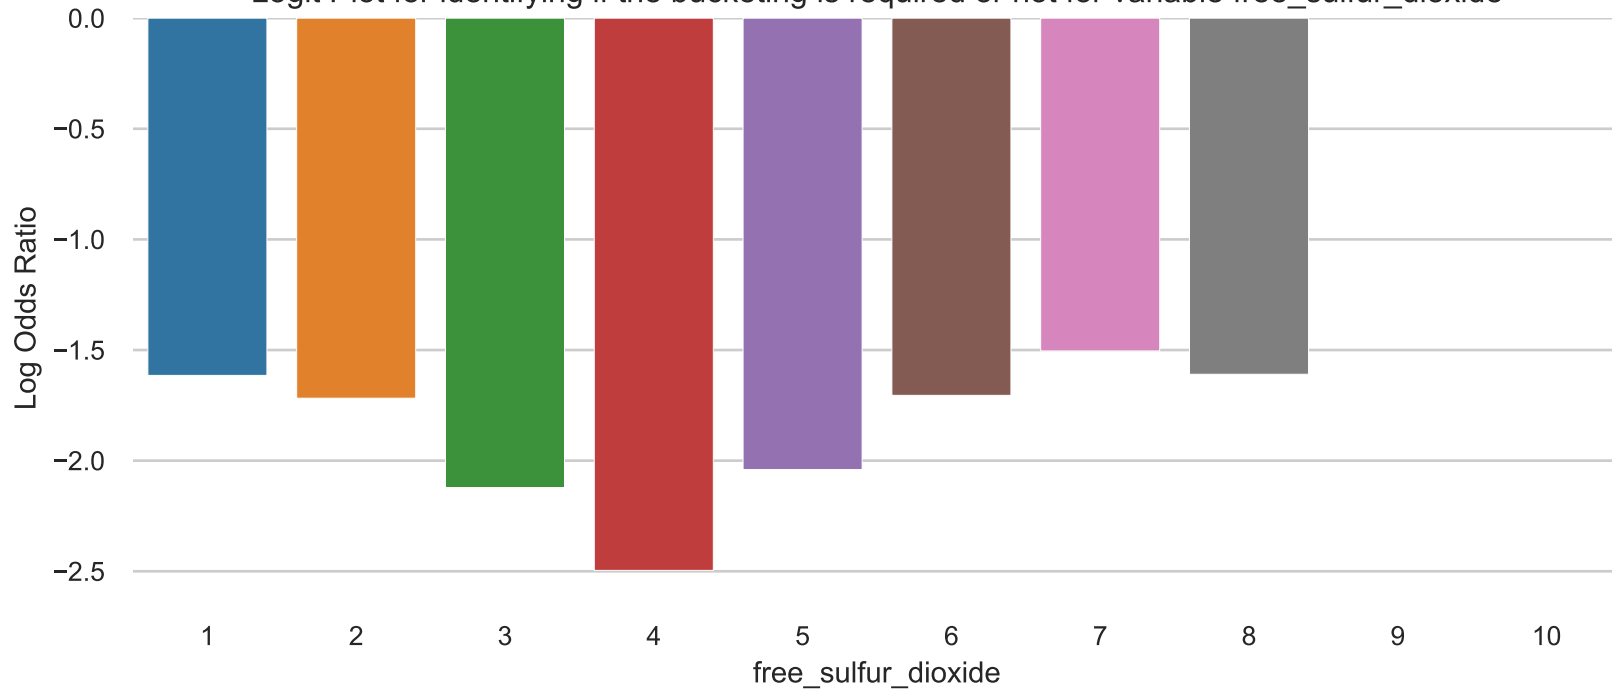

Logit Plot for identifying if the bucketing is required or not for variable density

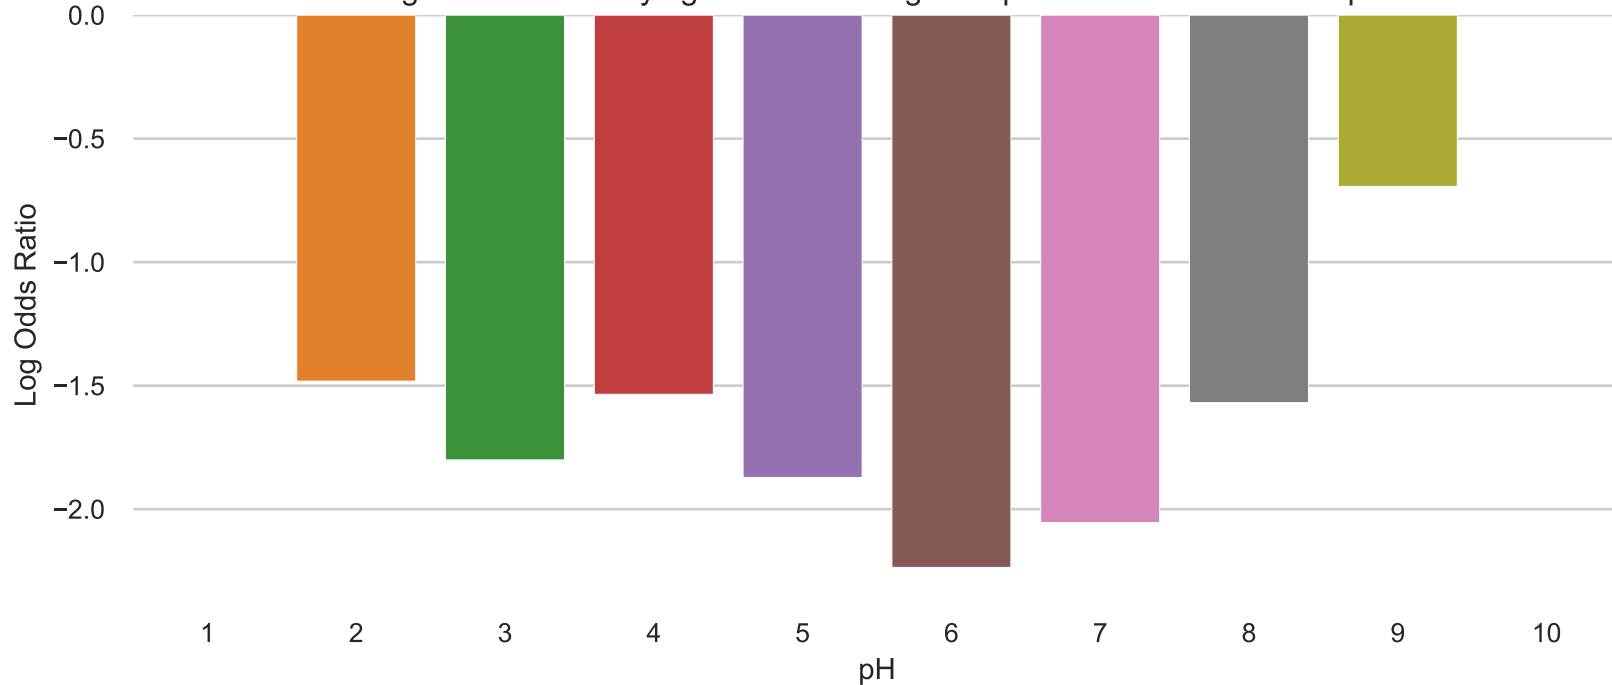

Logit Plot for identifying if the bucketing is required or not for variable fixed\_acidity

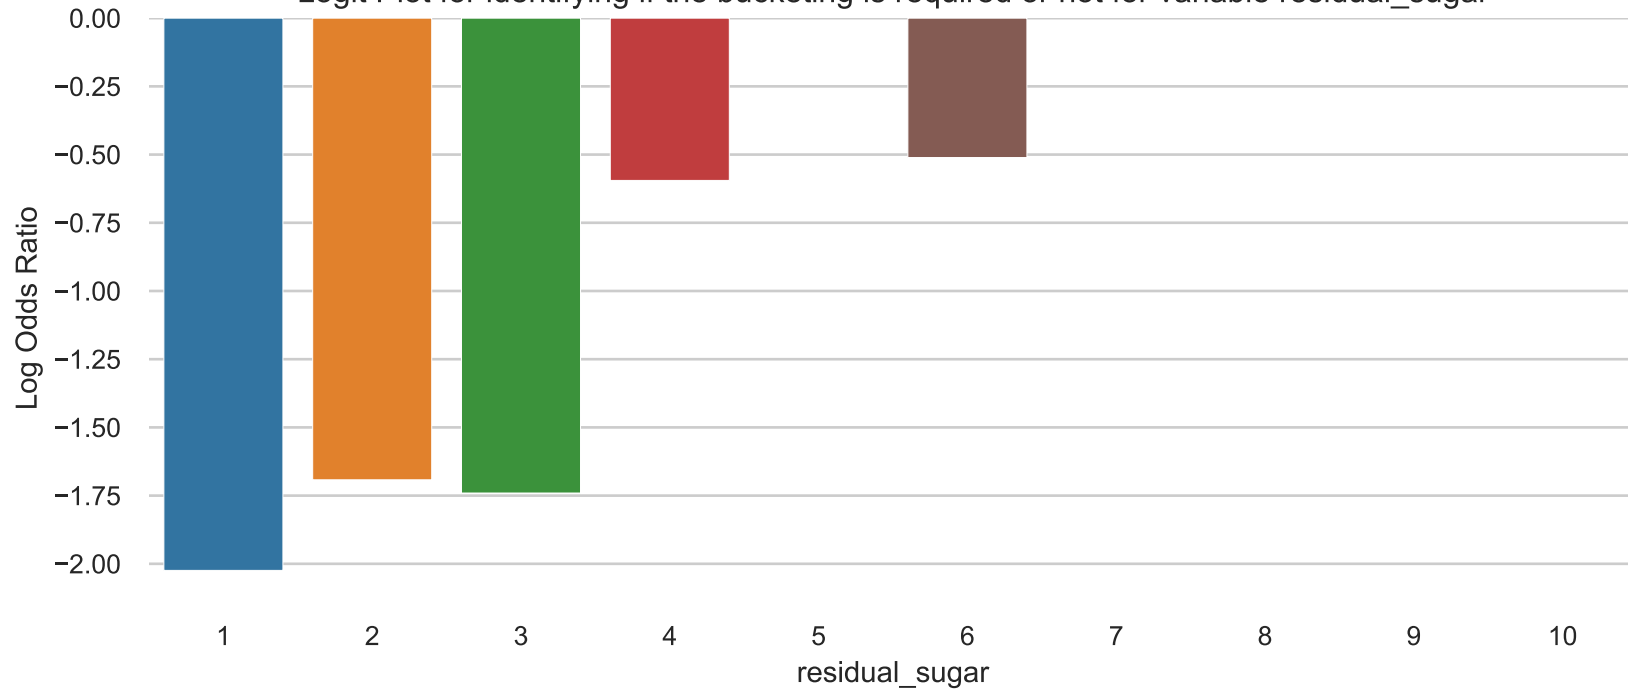

Logit Plot for identifying if the bucketing is required or not for variable free\_sulfur\_dioxide

Logit Plot for identifying if the bucketing is required or not for variable pH

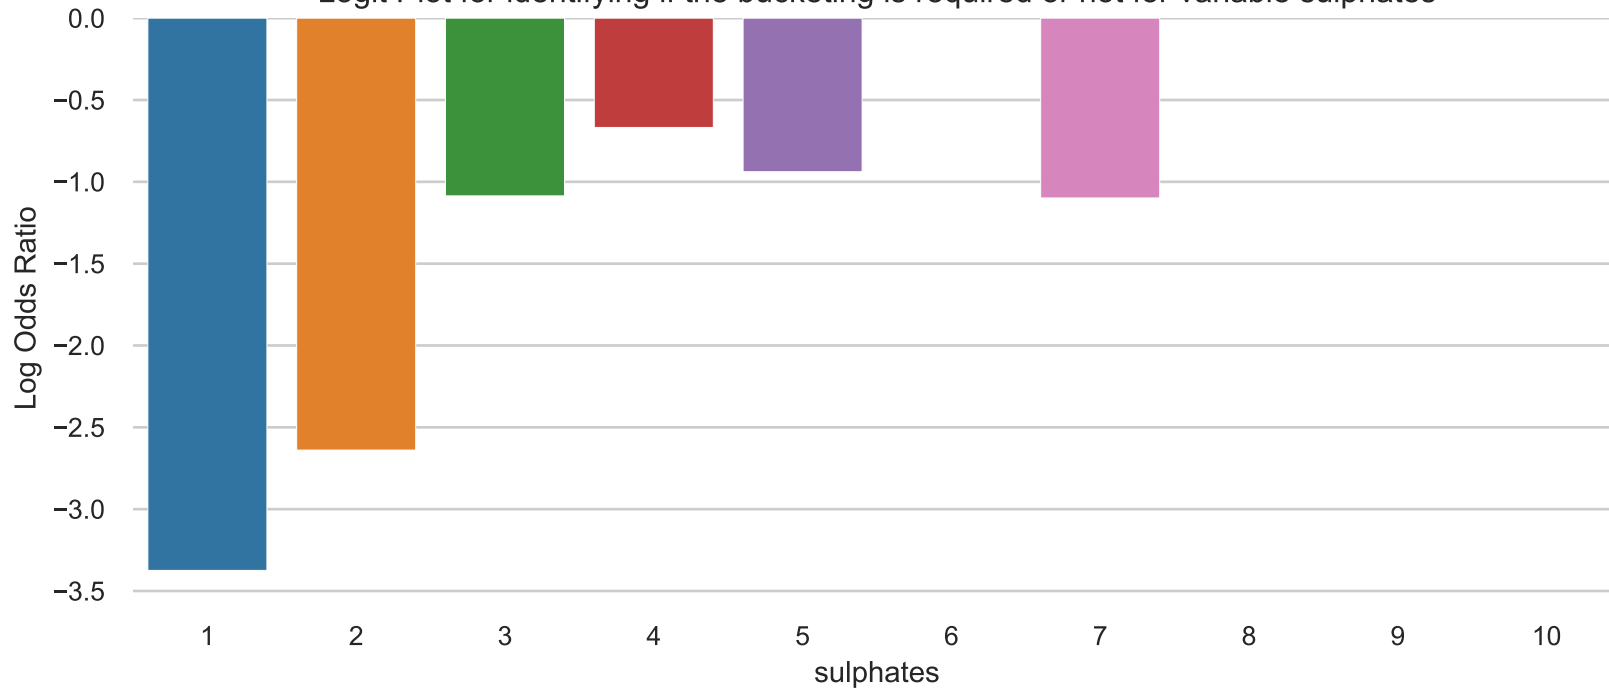

Logit Plot for identifying if the bucketing is required or not for variable residual\_sugar

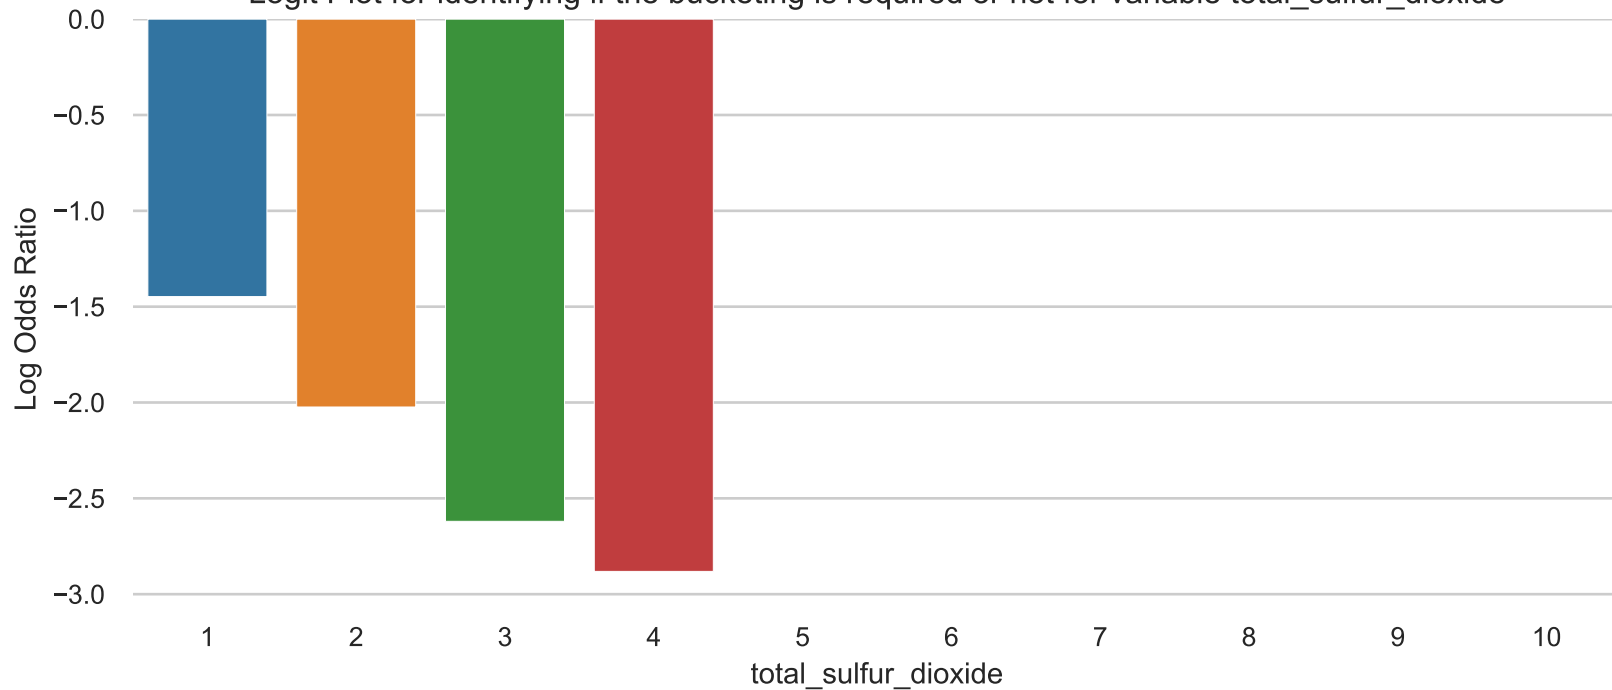

Logit Plot for identifying if the bucketing is required or not for variable sulphates

Logit Plot for identifying if the bucketing is required or not for variable total\_sulfur\_dioxide

Logit Plot for identifying if the bucketing is required or not for variable volatile\_acidity
